Introduction

The following summarizes the candidates for county, state, and federal offices for the 2024 General Election, as well as statewide ballot measures. This report is intended solely for the purposes of information and education. It is not intended to argue for or against any viewpoint, position, candidate or party.

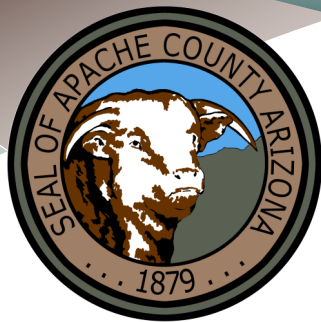

Candidates are listed by county, statewide offices, legislative districts, courts, and congressional districts. Following each candidate's name is a letter denoting their party affiliation; an asterisk denotes a candidate as the incumbent. Candidate names are listed alphabetically by party and then alphabetically by last name within the party. Write-in candidates are denoted by †.
